Date :- 27-09-2025.

### ACADEMIC COUNCIL

Sub : - Nimra Institute of Medical Sciences – Formation of Academic Council – Orders – Issued.

@@@@@@@@

The **Academic Council** is the principal academic advisory and decision-making body of a medical college. It is responsible for planning, monitoring, and improving academic activities, ensuring compliance with the regulations of the affiliated university and relevant medical education authorities.

### Objectives

- Promote excellence in medical education, research, and academic governance.
- Ensure effective implementation of the undergraduate and postgraduate curriculum.
- Maintain high standards in teaching, learning, assessment, and student support.
- Foster continuous quality improvement in academic programs.

A Academic Council is formed with the following members :-

|   |                     |                         |                       |
|---|---------------------|-------------------------|-----------------------|
| 1 | DR.V.KRISHNA MURTHY | DEAN                    | CHAIRMAN              |
| 2 | DR.G.JAYARAM        | VICE-PRINCIPAL          | IN-CHARGE COORDINATOR |
| 3 | DR.SHABANA SHIREEN  | PROFESSOR, BIOCHEMISTRY | ASST.COORDINATOR      |
| 4 | DR.K.RAVI KIRAN     | PROFESSOR, MICROBIOLOGY | MEMBER                |
| 5 | DR.M.RAJITHA        | PROFESSOR, PHARMACOLOGY | MEMBER                |

### Roles and Responsibilities

1. Formulate and review academic policies of the institution.
2. Oversee implementation of the competency-based medical education (CBME) curriculum and other approved academic programs.
3. Review and approve academic calendars, teaching schedules, and timetables.
4. Monitor attendance, academic progress, and student performance.
5. Review examination performance and recommend measures to improve learning outcomes.
6. Promote innovative teaching-learning methods, simulation-based education, and integrated teaching.
7. Encourage faculty development programs, continuing medical education (CME), and educational research.
8. Review proposals for introduction of new academic programs, courses, electives, and value-added programs.
9. Monitor mentorship, student support services, and feedback mechanisms.
10. Coordinate with the Medical Education Unit, IQAC, Examination Cell, and other academic committees.
11. Ensure compliance with regulations of the affiliated university and relevant medical education authorities.
12. Review institutional academic quality indicators and recommend corrective and preventive actions.
13. Promote interdisciplinary teaching, research, and academic collaborations.
14. Recommend academic matters to the Governing Body or other statutory authorities for approval.
