Roles and Responsibilities

The Medical Education Unit shall:

1. Plan, organize, and coordinate Faculty Development Programmes (FDPs), workshops, seminars, and training sessions as per NMC guidelines.
2. Promote competency-based medical education (CBME) and support its effective implementation.
3. Assist departments in curriculum planning, teaching-learning methods, assessment, and feedback mechanisms.
4. Encourage educational research, innovation, and quality improvement initiatives.
5. Monitor the implementation of medical education activities and maintain the required records and documentation.
6. Coordinate with institutional committees for accreditation, academic quality assurance, and regulatory compliance.
7. Submit periodic reports of MEU activities to the Dean/Principal.

This revised committee supersedes all previous MEU committee formation orders with immediate effect and shall remain in force until further orders.
